

Stealth Knife

The Stealth Knife is a durable, corrosion-resistant cutting tool, featuring a safe sliding lock, an ultra-sharp SKH2 steel blade, and a 30° cutting edge, designed for reliable performance and precision in demanding professional environments

Key Benefits:

- ▶ **Lightweight:** Easy to handle and carry.
- ▶ **Durability:** Built to withstand heavy use.
- ▶ **Corrosion Resistance:** Ensures longevity even in harsh environments.

Ideal Users:

- ▶ Vehicle wrappers (commercial and colour change)
- ▶ PPF (Paint Protection Film) professionals
- ▶ Window tinters
- ▶ Signage makers and installers

Why Choose This Tool?

- ▶ **Robust Design:** Features a sliding lock blade system for added safety and precision.
- ▶ **High-Quality Blade:** Equipped with a black SKH2 steel blade, offering an ultra-sharp cutting edge at a 30° angle.
- ▶ **Reliability:** Combines durability, functionality, and ease of use for professionals in demanding fields.
