

## **POSITION REGARDING PHTHALATES IN PAPER LAMINATES**

All UPM Raflatac paper laminates can be considered free of phthalates such as:

Di(2-ethylhexyl) phthalate (DEHP)  
Dibutyl phthalate (DBP)  
Benzyl butyl phthalate (BBP)  
Di-isodecyl phthalate (DIDP)  
Di-n-octyl phthalate (DNOP)  
Di-isononyl phthalate (DINP)  
Diisobutyl phthalate (DIBP)  
Di-n-pentyl phthalate (DnPP)

Should any of these substances exist as traces in our raw materials or are generated during the manufacturing process, their content is negligible.
