### REACH

MM Board & Paper is manufacturing articles and articles do not fall under REACH.

Up to the state of the annexes (especially annex XIV and XV concerning substances of very high concern, SVHC in pursuance of Regulation 465/2008/EC including the amendment of 8th July 2021) and RIPs (REACH Implementation Project), today our articles will not contain substances in concentrations that will lead to a notification or registration.

Of course, we use only chemicals registered in accordance with the REACH legislation.
