

HP Bright White Inkjet Paper

The HP Designjet printing system—the complete solution

HP DesignJet printers, Original HP inks and printheads, Original HP printing materials and HP Scitex printers, are designed to work together as a system to provide reliable, consistent results with every print.

Experience ColorPRO Technology—at its brightest.

See the ColorPRO difference—at its brightest

See the bright, clear difference. See precise lines with sharp, fine detail. See high-impact graphics with an extended range of colors. HP Bright White Inkjet Paper with ColorPRO Technology delivers professional quality, striking results.

Print with ease—with the environment in mind

Keep a brisk pace. HP printing materials are designed together with HP inks and the printer to provide consistent, quality performance. Meet the environmental objectives of your company—and your clients—with this recyclable, FSC®-certified paper.

Increase productivity, lower printing costs

Optimize your everyday printing with the reliable, trouble-free performance of cost-effective HP Bright White Inkjet Paper. Many choices, including metric sizes, cut steps from the workflow for higher productivity and lower costs of printing.

| Target customers | Applications | Benefits |
|---|----------------------------|--|
| High/production professionals working with Geographic Information Systems (GIS) | Posters and presentations | More striking colors |
| Architecture (AEC) | POP and retail displays | Crisper text and graphics |
| Engineering (CAD) | CAD, AEC, GIS applications | Higher contrast blacks |
| Applications | | Visibly enhanced print quality at production speed |
| Print service providers | | FSC®-certified paper |
| | | Recyclable through commonly available programs |
