

MATERIAL DESCRIPTION

Coala Dry Erase Lam is a 50µm transparent gloss polypropylene laminating film coated with permanent aqueous acrylic adhesive and protected by a PE coated kraft paper.

This laminate can turn any printed graphics into a writeable dry erase surface and is designed for use with dry erase markers. Best suited for short-term or promotional indoor graphics, where long-term durability is not required.

If producing industrial grade dry erase boards (high-use boards typically found in hospitals, retail establishments and restaurants or multi layer laminates of either plastics or metal, we recommend to use Coala Dry Erase premium Lam.

FILM THICKNESS

50
µ

PRODUCT STRUCTURE

- Support: 50µm transparent gloss polypropylene
- Adhesive: 20-25µm permanent Aqueous Acrylic
- Liner: 86g white PE coated 1 side kraft

RECOMMENDATIONS

- Cleaning: It is best to use a microfiber cloth and either soap & water or an isopropyl 50/50 mixture. Harsh chemicals may adversely affect the surface.
- Durability: Indoor up to 6 months

TECHNICAL PERFORMANCE

- Flame retardant Euroclass B,s1-d2

SHELF LIFE STORAGE AND CONDITIONS

- Store in closed original packaging in a cool, dry environment 15-25°C with 50% relative humidity.
- Shelf life of one year if stored in original packaging in recommended conditions.

APPLICATIONS

- Dry-erase presentation boards
- Schedules
- Year planners
- Maps
