COALA TEXTILE WINDOW COSY

MATERIAL DESCRIPTION

Coala Textile Window Cosy is a high quality 100% polyester (Trevira CS®) woven fabric for a wide variety of indoor applications. This material is particularly interesting for use within public buildings and workplaces. Modern office architectures are increasingly characterised by large expanses of glass. The special fabric construction ensures an optimum ratio between very high reflection values and low light transmission with good visibility to the outside. PVC-free and certified in accordance with the Oeko-Tex® 100 IV Standard.
