

# COALA WALLDESIGN NW UV/LX STONE

## MATERIAL DESCRIPTION

Coala WallDesign NW UV/LX Stone is a 180g/m<sup>2</sup> embossed non-woven wallpaper with a plaster like texture, completely free of PVC, solvents, plasticisers and heavy metals. It is fire retardant, easy to install, breathable and dry strippable, making it ideal for wall decoration in residential environments or low-to-medium traffic commercial areas.

Coala WallDesign NW UV/ LX Stone is a light weight wallcovering solution for printers using Latex, UV-Gel and UV curing inks.
