image® DIGICOLOR®
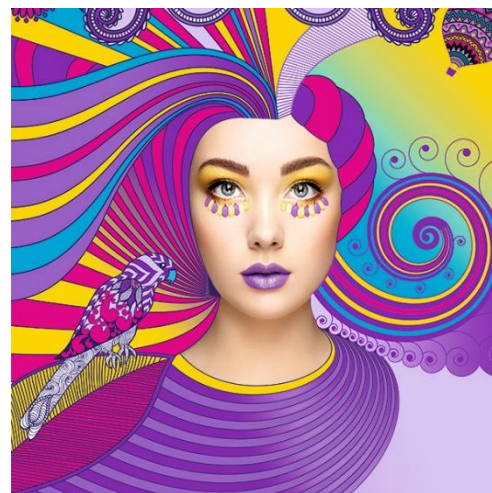

Image® Digicolor® Silk & Gloss have been specially designed for very high-quality digital printing on dry toner digital presses.

- Tested and recommended by leading dry toner Original Equipment Manufacturers!

- **Key benefits:** faithful colour reproduction, sharp contrasts and extremely vivid colours.

- **Applications**:
  Digital Communication: promotional documents, brochures, newsletters, greeting cards, post cards, business cards, invitations, letterheads, menus, direct marketing…

  Digital Publishing: high-volume laser work like books, manuals, catalogues, etc.

- Image® Digicolor® is also available with an uncoated finish.
