mellotex

Product Information

mellotex is a fully integrated business papers range of the highest quality, offering a co-ordinated choice of unwatermarked paper, boards and envelopes.

mellotex combines a unique smoothness and crispness with superb print performance.

mellotex conforms to ISO 9706 requirements for permanence and as such is suitable for archival use or applications requiring 'acid-free' paper.

mellotex complies with the Packaging (Essential Requirements) (Amendment) Regulations 2006 SI 1492 for heavy metal content and EN71-3 for toy safety.

mellotex is made from 100 % Elemental Chlorine Free woodpulp sourced from carefully managed and renewed forests. Mellotex is fully recyclable and is manufactured to precise and controlled standards. Tullis Russell is registered under the BS EN ISO 9001:2008 quality assurance scheme and the ISO 14001 environmental standard.

mellotex contains woodpulp from well managed forests certified in accordance with the rules of the Forest Stewardship Council.
